REVIEW OF MARKETS

FINANCIAL AND COMMERCIAL

Stocks, Money, Exchange, Bonds, Grain, Cotton, Provisions, Etc.

New York, June 8.—The market took strength which are associated with a bull market at one period during the day, but the inevitable professional realizing seemed to take the snap out of the market, and when the bears perceived that the buying was not renewed with any eagerness, even after the realizing offerings had ceased, they attacked the market in the last half hour and worked some very material recessions in prices. Sugar, Metropolitan and Brooklyn Transit closed more than two points below the high level, though retaining still good net advances in price. A number of the specialties and prominent railroads also had a point or over taken from top prices.

A long list of important stocks opened at unchanged prices, and no stock in the list showed a change of as much as a point in the early transactions. It was evident that there was a large bear party in sugar still unconvinced by yesterday's dividend declarations, and they understood to force down the price of that very uncertain security. By the time it had fallen 2 points, however, the decline met resistance of a kind which it was not in the power of the bears to overcome. Their experience during the remainder of the day was not an agreeable one, and the heavy blocks absorbed at the high level was convincing evidence of their distress. The advance in price of refined sugars which was anticipated in by all interests in trade, seemed to bring home to the bears that the competition could not be of a very destructive character, and that the opposing interests might be fairly regarded as installed in the position of insiders regarding stock market maneuvers. The very buoyant tone of Brooklyn Transit, Metropolitan Street Railway and Manhattan added to the discomfort of the bears. Later in the day the Tobacco stocks took up the advance. Yesterday's dividend declaration on Atchafalpa preferred had a very stimulating effect on that stock, as well as those of all grain carrying roads. The eastern and Southern stocks nearly all recovered a point, and pretty much the whole list showed a decided sympathy, the only exceptions being a few Southern roads which were affected by selling for London account. The announcement of a further shipment of \$1,000,000 of gold on Saturday, making a total of \$3,500,000 on the movement, was without influence in the market.

The market for bonds showed improved strength and an increased volume of dealings as the day progressed. Total sales, \$2,800,000.

U. S. 2's advanced 1/8 in the bid price. Total sales of stocks were 725,800 shares.
